Dear Judge Carter:

On January 26, 2010, an Order of the Court committed Ms. Leslie Apger, to the custody of the Bureau of Prisons for a thirty day mental health evaluation under the provisions of Title 18, United States Code, Section 4241. The Court is requesting an opinion whether the defendant is suffering from a mental disease or defect rendering her mentally incompetent to the extent that she is unable to understand the nature and consequences of the proceedings against her or to assist properly in her defense.

Ms. Apger arrived for the evaluation at the Federal Detention Center, Miami, Florida, on March 9, 2010. As noted in your order, the evaluation period commenced on the date of her arrival at this facility. Therefore, the adjusted period of examination would end April 8, 2010.

The Court can expect to receive the report within fifteen days after the termination date of the examination period. This amount of time is necessary to complete the report which will be submitted in a prompt and timely manner.
